Carnival Foundation partners with Miami-Dade County Public Schools through a variety of initiatives; most notably, the Carnival Scholarship & Mentoring Program, their signature program in its 15th year. With 100 students currently enrolled, this life-changing opportunity pairs a student with a Carnival employee for a four-year mentorship and offers the chance to earn a college scholarship. To date, Carnival has awarded 195 scholarships to graduating seniors.

EdFed, formerly South Florida Educational Financial Credit Union, is a longtime supporter of M-DCPS students, staff and families. Their commitment spans from financially supporting over 30 different programs and initiatives annually, to serving as the sole financial institution of the Summer Youth Internship Program. Additionally, they sponsor multiple events that honor our best, including, Autism Prom, Teacher of the Year, Families Matter, Principal of the Year, Aspen Challenge and the Miami-Dade County Fair and Exposition Student Exhibit Area. Supporting teachers and students is also a priority through Teacher Resource Centers and school-site specific programs such as Miami Coral Park Senior High School's Engineering and Robotics Program.

Ms. Regina Davis

Ms. Regina Davis has dedicated her life to serving her community, and works tirelessly to ensure that the families and children in her neighborhood have the necessities to succeed in life. She takes pride in empowering families to show up for their children while also holding elected officials and District administrators accountable for the safety and well-being of students, employees, and families. Ms. Davis believes that parents are the key to their children's success, and in partnership with the Urban League she started a parent group called IOU (It's On Us). Through this program she holds quarterly parenting workshops entitled "Effective Black Parenting," and works with parents to get certifications through adult education programs so that they may be able to better support their families.
