The Fair is proud to sponsor a \$1,000 non-renewable scholarship to one student in every Miami-Dade County public senior high school. Your help is needed to identify students who may be eligible for this scholarship.

Recommended Process

- Adult/Vocational Counselors establish a deadline for receipt of applications from students, and fill in the date on the cover page of the application before distributing.
- Schools publicize the scholarship opportunity in bulletins and announcements and inform students of where to get applications.
- A school scholarship committee approved by the principal reads the applications and selects one winner based on the criteria.
- The school CAP adviser or designee submits finalist applications by Friday, March 3, 2017 to:

Ms. Pamela J. Johnson**Adult and Community Education****W/L #8001**

- Winners will be presented scholarship award letters at a ceremony at The Fair on Thursday, May 11, 2017.
 - Thank you for the care and time you will give in selecting the appropriate student for this honor.
 - Please keep a count of total applications you receive. These statistics assist The Fair in assessing the need to increase scholarship awards.
