

Bring your students to the Youth Fair for a

HOWDY TOUR

MARCH 16 & 17, 2026
9 AM - 1 PM

A hands-on agriculture adventure for 2nd and 3rd grade students

Step into The Barn with Howdy, the Youth Fair's friendly freckle-faced agriculture ambassador, for a unique, interactive field trip where students get an up-close look at the plants, animals, and people that make up South Florida's agricultural community.

Led by students from local agriculture programs, Howdy Tours are designed to introduce young learners to the world of farming and food in a gentle, engaging way. Students will rotate through interactive stations, meet live animals, and explore where our food really comes from inside The Barn at the Youth Fair.
